EDUCATION

Adani Institute of Infrastructure Engineering

Bachelor in Computer Science and engineering (AI-ML) - CGPA :8.78

Sep 2021 – June 2025

Ahmedabad, Gujarat

Arpan International School

Grade XII (90.15 %)

June 2020 – March 2021

Ahmedabad, Gujarat

EXPERIENCE

ODOO

Software Developer Intern

Jan 2025 – Present

Gandhinagar, Gujarat

- Delivered production-grade ERP features (Invoicing, Accounting) using Python and Odoo framework; improved code performance, resolved critical bugs, and shipped fully tested modules in Agile sprints.

VMUKTI

Intern

Apr 2023 – Jun 2023

Ahmedabad, Gujarat

- Researched industrial machinery, robotic systems, and automation for CCTV camera production. and developed a concise automation plan, collaborating with teams to adopt new technologies, boosting manufacturing efficiency.

PROJECTS

FINOVERA | React.js, Supabase, FAST API, LLM

March 2025

- Developed an AI-powered investment platform with real-time financial API integration for live stock data and market news. Implemented secure portfolio management with brokerage account synchronization and CSV import support.
- Created interactive visualizations for portfolio performance and market analysis. Delivered an AI-driven chatbot to enhance user engagement and regulatory compliance.

SPORTS_SPACE | React.js, Express, MongoDB, RazorPay, Node.js

June 2024

- Orchestrated the design and implementation of a robust full-stack web platform focused on streamlining facility management functions; initiated features enabling swift access to booking history, resulting in increased user interactions.
- Developed user-centric features such as facility booking, amenity browsing, and access to booking history, while implementing manager tools for scheduling maintenance, tracking logs, and monitoring facility usage, thereby enhancing user engagement, operational efficiency, and seamless platform administration.

MATCHMAKER | React.js, Express, MongoDB, Socket.IO, Node.js

Feb 2024

- Created a platform to streamline team formation for hackathons, enabling users to find and connect with compatible teammates based on shared goals and interests.
- Integrated Real-Time Chat Functionality to enable seamless communication between teammates, fostering effective collaboration.

TECHNICAL SKILLS

Languages: Python, JavaScript, XML, C++ , C , SQL, HTML/CSS

Technologies/Frameworks: Odoo, Node.js, React, Express.js, Tailwind CSS

Database: MongoDB, Supabase, Postgresql

ACHIEVEMENTS

- Winner of Postman Track at **HackThisFall 3.0**, Karnavati University (Feb 6, 2024)
- Top 5 Finalist at **HACKNUTHON 2023**, Nirma University (April 30, 2023)
- Top 5 at **AU-IQM HACKATHON 2022**, Adani University (November 13, 2022)
- Solved 300 Questions on LeetCode Profile

LEADERSHIP & ACTIVITIES

ACM Student Chapter

Secretary

March 2023 – Oct 2024

Adani Student Programming and Development Club

Graphic Designer Head

Apr 2023 – Oct 2024
